Prior to registration please be sure to CAREFULLY read the prerequisite information on the ElderPet ([www.elderpet.org](http://www.elderpet.org)) or Pet Partners ([www.petpartners.org](http://www.petpartners.org)) websites. You will be assigned a specific appointment time. Teams should plan on being at the evaluation site for about 1 hour. *Evaluation appointment time and reminders will be mailed about 10 days before the evaluation.*

You must bring your animal's rabies certificate to the evaluation. This must be current and obtained from your veterinarian. We cannot evaluate any animal without first seeing the certificate. You will also need to bring either your Handler's Course Completion Certificate (first timers) or current Pet Partners badge with you.

If you registered for the evaluation and then find you cannot not make it, we kindly ask that you let us know as soon as possible, as we often have people on a waiting list.

If you would like more than one animal/handler team evaluated, we may be able to accommodate if space allows. There is an additional \$25 fee per evaluation. Please fill out an additional form for each human/animal combination.

In addition to sending in this registration form and check, you will need to register for the evaluation at the Pet Partners Volunteer Center at [www.petpartners.org](http://www.petpartners.org). Make sure to choose the correct date and location.
