\_\_\_\_\_

ElderPet is continually seeking to maintain and build an experienced Advisory Committee and a working Board of Directors which includes individuals with a wide range of talents, experience and diverse connections to all sectors and constituents. To the best of your ability, please provide your experience in the following areas:

| Skills and knowledge which particularly apply                   | Very Experienced | Some Experience | Little/None |
|-----------------------------------------------------------------|------------------|-----------------|-------------|
| Board development (recruitment, training, evaluation)           |                  |                 |             |
| Communication, public relations, marketing                      |                  |                 |             |
| Financial advising and management (non-profit)                  |                  |                 |             |
| Insurance industry esp. non-profit liability ins                |                  |                 |             |
| Information technology/website development                      |                  |                 |             |
| Education/Teaching                                              |                  |                 |             |
| Human Health, i.e. hospital, nursing home, assisted living      |                  |                 |             |
| General business experience/ skills esp. non-profit             |                  |                 |             |
| Liaising with Pet Partners                                      |                  |                 |             |
| Working with the Media                                          |                  |                 |             |
| Grant Writing                                                   |                  |                 |             |
| Animal Welfare/ Behavior                                        |                  |                 |             |
| Animal Care/ Veterinary Care                                    |                  |                 |             |
| Advocacy: seniors, people with physical and mental disabilities |                  |                 |             |
| Volunteer Membership, Training, and Support                     |                  |                 |             |
| Strategic Planning                                              |                  |                 |             |
| AAA/AAT and/or Animal Behavior/Training Experience              |                  |                 |             |
| Human Services Support experience, ie social work, PCA          |                  |                 |             |
| Other :                                                         |                  |                 |             |

What areas do you feel you could contribute **best** as an Advisory Committee or Board member?
