

## PET FOOD DONATIONS

ELDERPET gratefully accepts donations of pet food for distribution to low income senior citizens and people with disabilities who have pets. We package and deliver this food on a monthly basis.

We do not have a community drop-off location at this time, but will be happy to pick up any donations collected by clubs, business and organizations.

ELDERPET also appreciates grocery store and WalMart gift cards for the purchase of pet food.

## FINANCIAL CONTRIBUTIONS

Financial contributions are used in many ways:

- To purchase pet food when donations do not carry us through.
- To help subsidize the cost of medication or prescription diets for our clients' pets with long term medical problems.
- To fill the coffers of our **Veterinary Care Loan Fund**. This is a fund from which clients may borrow money for unexpected and expensive veterinary care for their pets. These clients agree to pay us back, interest free, on a manageable schedule.
- To help cover the cost of pet care when an owner is unexpectedly hospitalized.
- To help provide for our modest operating expenses.

## GOALS AND HISTORY

**ELDERPET** is a service organization staffed by volunteers. The main goal of **ELDERPET** is to facilitate the important relationships between animals and senior citizens, people with disabilities, hospice families, and patients of health care and other facilities.

Started as an Applied Animal Science project in 1982,

**ELDERPET** is registered with the State of New Hampshire as a Non-Profit Corporation and has received tax-exempt status under IRS Code 501(c)(3). (EIN 06-1714543)

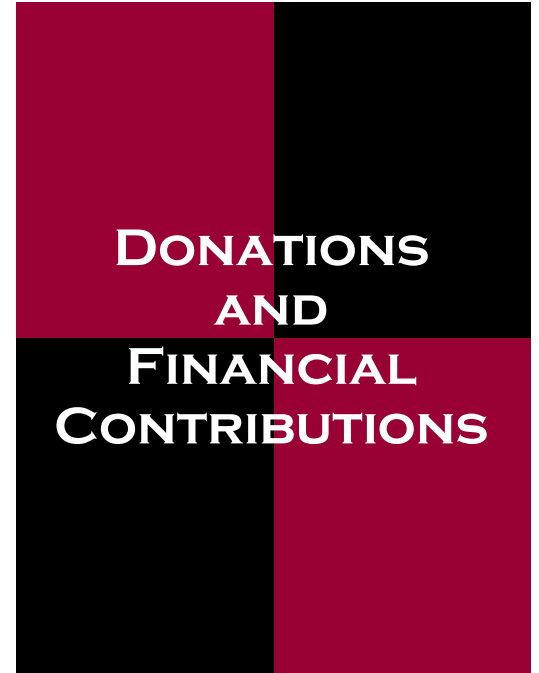

FACILITATING THE  
HUMAN/ANIMAL BOND  
WITH SENIOR CITIZENS,  
PEOPLE WITH  
DISABILITIES,  
HOSPICE FAMILIES,  
AND CLIENTS OF  
HEALTH CARE  
AND  
OTHER FACILITIES

**ELDERPET** does most of its work in Strafford and Seacoast Rockingham counties, but is prepared to offer consultations in all parts of New Hampshire.
